Your corrected copy will be returned to this address

Please type or print clearly. Note: The dedicated Horticulture Nomenclature Committee that checks and verifies your lists every year has requested that you limit to 150 the number of plants submitted for checking. **If you submit a list in a different format, please use at least 12-point type—and gridlines, if possible. Allow space for corrections.**

Send the completed form to Michelle Dean, Shows Department, PHS, 100 N. 20th St., 5th Floor, Philadelphia, PA 19103-1495.

Please use the **corrected** names on your final lists/labels.

REMINDER: PLEASE LIST ALL PLANTS IN *ALPHABETICAL* ORDER!
Remember to use ‘single quotes like this’ for cultivar names, not “double quotes.”
